# TOUR THROUGH THE VALLEY WITH YOUR FAMILY & FRIENDS

Bring your family and friends to ride or walk/run with you on the grand tour of the St. John River Valley. In its 31<sup>st</sup> year, the Tour de la Vallee promises to be a challenge for all riders. You can choose to ride 25, 50, 62, or 100 miles or ride a 35-mile mountain bike route. Or you can choose to walk/run 3, 5 or 10 kilometers. All routes are fully supported with rest stops.

Rest stops will be stocked with various different items such as water, beverages, fruit and other healthy snacks. Although bathroom facilities may not be available at every stop, you will be informed of where you might find facilities along the route. Medical and mechanical assistance will be available along the route. Someone will be available to give you a ride if you need one. If you are biking, you should carry a spare inner tube in case of a flat. Let us worry about the details. You can have a grand time while you raise money to help families of the St. John Valley "live well with cancer."

#### THE FUNDRAISER

The Edgar J. (Guy) Paradis Cancer Fund (a service of Northern Maine Medical Center), Fort Kent, Maine, is a non-profit venture that provides support services to families from the St. John Valley who have been afflicted with cancer. The Fund gets its money for these services from charitable donations and fund-raising activities such as this exciting tour. The Tour de la Vallée is the major fundraising event of the Paradis Cancer Fund.
